To bid on an ACTIVE lease:

- 1) **Active** cabinsites are being bid upon at this time and bids are due by the date indicated in the Bid Closing Date column.
- 2) Download the bid package. The bid package includes information on the improvements (if any), Lease Application Form, Le
- 3) Fill out both the Lease Application Form and Lease Bid Form. Send both forms to the address provided, along with the non-
- 4) Your bid and lease application must be arrive at DNRC no later than 5:00 p.m. on the Bid Closing Date to be eligible for con
- 5) Upon close of the bidding period, all bidders will be informed of the results of the competitive bidding, and the highest bid

To bid on an INACTIVE lease:

- 1) The status of **Inactive** cabinsites may be changed to **Active** on request. To bid on an **Inactive** lease, download the bid pa along with the non-refundable \$25.00 lease application fee.
- 2) Upon receipt of a completed Lease Application Form, DNRC will change the table above to show the cabinsite status as **Act** application was received and that cabinsite bidding has been opened.
- 3) If you wish to proceed with bidding, you must have a Lease Bid Form and 10% bid deposit to DNRC by 5:00 p.m. on the B

To bid on a PENDING lease:

Cabinsites shown as **Pending** are currently vacant but for one or more reasons are not ready to be offered for bid at this time 406.444.2074 as the agency may be able to accommodate leasing interest by getting the cabinsite ready for bidding and movi been verified. The minimum bid shown is for general informational purposes only and may change following final review by the

To purchase improvements:

It is recommended you contact the improvements owner before you bid to arrange for the purchase of improvements. The cor

The improvements on the cabinsite, if any, are owned by the former lessee. The new lessee shall pay the improvements owne the improvements, that bidder will be disqualified and DNRC shall award the lease to the next highest qualified bidder, or rebid

Once a lease has been signed by the successful bidder, the DNRC will notify the improvements owner that there is a new lesse the date DNRC sends notice to the improvements owner to provide to DNRC the necessary documentation confirming that the Documentation evidencing that the improvements have been properly settled to the satisfaction of both parties may include a reached a price and shall close the sale on a specified date, or notice that the improvements shall be removed from the site.

If the DNRC does not receive documentation within 120 days, the department will conclude that the parties cannot agree upor MCA to ascertain and fix the price for the improvements. The DNRC may delay arbitration by 30 days if the parties are close to notification that there is a new lessee of the cabinsite. The value determined through arbitration shall be binding on both parti lessee for the improvements per the terms of the arbitration settlement, or if not specified, within 30 days after the value has

Questions?

You may direct general questions to DNRC at 406.444.2074. For questions about a specific cabinsite, contact the DNRC Area r
